UPCOMING WEBINARS for Community Social Services

OCT 22 | 12PM - 1PM

Brief Narrative Interventions in Outreach and Crisis Settings

With Brian Dean Williams

Frontline and healthcare workers face complex issues like trauma, substance use, and mental illness. This webinar introduces narrative therapy's idea of externalization—separating the person from the problem. Learn how to use this approach to build trust, reduce blame, and strengthen client relationships.

NOV 19 | 12PM - 1PM

Balancing Leadership and Frontline Realities

With Chris Burt

This webinar explores the shift from frontline work to management in social services. New leaders often face pressure to balance client care with budgets and contracts. Learn practical skills to manage resources, support your team, and keep services strong while meeting organizational goals.

DEC 10 | 12PM - 1PM

Mindfulness Practices for Building Resilience

With Brian Dean Williams

Frontline work can be rewarding but also draining. In this session, Brian shares his recovery story and how mindfulness helped. Learn simple practices, the science behind them, and ways to apply mindfulness to reduce stress, build resilience, and support long-term well-being for yourself and your team.
